Finishing

Pole and frame

The pole and frame are **100% Powder coated aluminium** with a **textured finishing**. This makes them even more **scratch-resistant** and **maintenance-friendly**.

The textured coating of the umbrella also offers a **unique look**. Available in **grey** (RAL 9007).

100% recyclable

RAL 9007

Grey texture finishing

Easy operation

During the design of the P8 the usability was very important. The P8 is very light to handle because of a gliding movement. Even the table and chairs can remain during opening and closing the P8 umbrella.

Fixation

Steel base

With 8 tiles: 130 kg
With 12 tiles: 185 kg
Does not include tiles

Steel base

With 4 tiles: 115 kg
With 8 tiles: 215 kg
Does not include tiles
